The background of the image is white and filled with several falafel balls. Some are whole and browned, while others are cut in half, revealing a bright green, herb-filled interior. The falafel balls are scattered around the central text box.

Easy Productivity Hack

The image features a white rectangular box with a thin black border in the center. Inside the box, the words "Bash Script" are written in a large, bold, black sans-serif font. Surrounding the box are several falafel balls, which are small, round, browned fritters with a green herb filling. They are scattered across the white background, with some appearing larger and more detailed than others, suggesting a shallow depth of field or varying distances from the camera.
